Silver Circuit: Functional fitness class alternating low impact cardio with strength, toning, and stretching segments. Emphasis on balance, agility, reflexes, and range of motion in everyday activities.

Silver Yoga: Designed to increase your flexibility and range of motion with an emphasis on breathing, balance, and posture. Chair is used sitting or standing (no floor work).

Silver Sneakers: This class focuses on strengthening muscles and increasing range of movement for daily life activities. Participants use handheld weights, elastic tubing with handles, and a Silver Sneakers ball. A chair will often be used for seated exercises or standing support.
